- Member halls can have a comprehensive listing on the DVHA website which improves their chances of being found with Google and other search engines.
- Members receive regular newsletters about current topics and topics of interest. You may remember several newsletters about Covid grants and legislation changes.
- Members have access to the newly developed Forum where they can ask for other members' experiences and recommendations.
- The committee endeavour to give a personal response to queries from members and can assist with technical issues and website development.
- Member halls qualify for a discount from several insurance companies.
